Employee End User Agreement

I understand that I am authorized to activate service and to obtain equipment at a special rate as a result of my employment with, _____, (name of company). I further acknowledge and understand that I am receiving a special service calling plan rate based on my Company's overall line attainment with Verizon Wireless. From time-to-time, my calling plan rates may be adjusted to those associated with the actual total line attainment of my Company. I understand that I cannot terminate my service without an Early Termination Fee because of a rate adjustment to which my Company agreed, notwithstanding anything to the contrary in the Customer Agreement.

I acknowledge and understand that certain information relating to the service, including name, mobile telephone number and monthly charge total, may be released to my Company. Verizon Wireless reserves the right to require proof of continued employment with my Company from me. If a review of my employment status reveals that I am no longer an employee, Verizon Wireless reserves the right to adjust the calling plan rates for the period of time I was not a current employee and switch me to a commercially available calling plan or to a non-discounted calling plan for the remainder of my Customer Agreement term.
